

Collaborative Grant Request Process

Yellow Springs Community Foundation

Letter of Interest Questions

Project Name*

Name of Project.

Character Limit: 100

Project description*

Define the problem the project addresses and how you would approach resolving it.

Character Limit: 1000

Impact*

Describe the project's major impact on the community.

Character Limit: 500

Collaborating organizations*

Please list a minimum of three collaborating organizations and their major roles in the project.

Character Limit: 1000

Miller Fellows*

Describe the role and learning objectives of Miller Fellows in the project.

Character Limit: 500

Phases*

Outline all potential phases of the project, even if funding as currently known cannot cover them all.

Character Limit: 1000

Leveraging Resources*

How you would leverage what's already available (resources, published research, what other communities have tried, materials) instead of reinventing them.

Character Limit: 1000
